Upcoming Events

September 27th

Parents Evening 6-7pm

Dear Parents/Guardians,

I am very happy to confirm that Olivia Cohen has now been promoted to Deputy Manager, as well as Samantha O'Donnell as Senior Nursery Nurse. As I'm sure you all agree, the girls have worked very hard and their promotions are as a result of their dedication and are well deserved. I am confident that these additions to the management team will be a positive and beneficial step for the Nursery going forward.

We are still in the process of recruiting to extend our ever committed team and will of course keep you all posted on developments.

Please be aware that you may ask your child's Key Person at any time to review their progress & development.

Policy of the Month

'Healthy Eating'

Good health is important to everyone. Domalo childcare encourages children to develop a positive attitude to food and healthy lifestyles. This is achieved through adopting a whole setting approach, which encompasses children, their families and staff. Staff aim to promote, encourage and support nutritional eating

Parents Project

Between the 17th September & 2nd October, it is officially 'British Food Fortnight'

This month's Parents Project will be themed around food, in particular, traditional British dishes like Shepherd's Pie, Fish & Chips and Toad in The Hole!

Pre-School, Tweenies & Toddlers

It's time to get cooking!

Spend some time with your child creating delicious dishes in the kitchen at home. Talk about where foods come from and how they are made. Please take some photos of your cooking adventures to share with the children here at nursery!

habits for all children attending our settings. Feeding/eating experiences our staff provides will focus on enjoyment, participation and encouragement of positive, healthy eating habits, in addition to learning through, with and about healthy eating.

Parents Feedback

As you are all now aware, we received a new grading from Ofsted following their inspection on 18th August.

We would like to appeal to you to please leave reviews for our nursery on Daynurseries.co.uk, as I'm sure you all know the impact positive feedback on a setting can have on future admissions and development of the nursery. I would like to say a huge thanks in advance for this feedback.

What will we be up to this month?

[The song of the month is:](#)

[Autumn! \(Sung to the theme of Twinkle Twinkle\)](#)

Autumn winds begin to blow,
Coloured leaves fall fast & slow,
Twirling, whirling all around,
Till at last they touch the ground,
Autumn winds begin to blow,
Coloured leaves fall fast & slow.
